

Logo group must be exactly like this  
(with this exact proportion between the 2 logos)

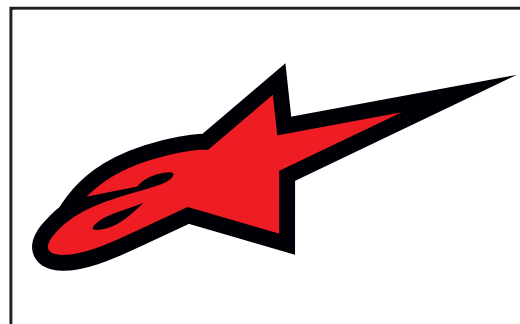

**alpinestars**

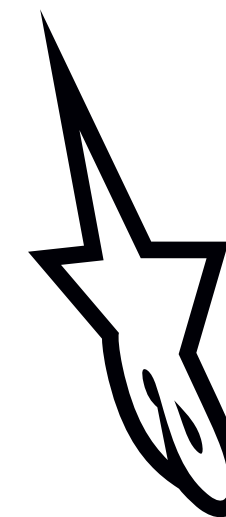

Horizontal logo group must be exactly like this  
(with this exact proportion between the 2 logos)

**alpinestars**

Alpinestars logo may be cropped like this

The logo MUST INCLUDE THE OUTLINE. The logo is not just the interior. The color of the interior and outline may vary accordingly, but the outline must be present in its fullest extent.

If the logos are vertical the direction has to be from bottom to top
